

**Online!**

# ONWARD CHRISTIAN ACADEMY

Offering a unique Christian education designed for families who:

- Home school
- Have no access to private schools, or
- Find private school prices prohibitive

## Register now for 2022-2023!

After eleven great years of success, the ministry of Onward Christian Academy is able to offer the lowest tuition\* available (to our knowledge) for online Christian education. Tuition cost is \$1,000 for the year with an initial (upfront) payment of \$300 and \$70 a month for ten consecutive months. We offer a 10% discount if paid in full before school starts and also a 10% discount for each additional student from the same family.

NOTE: There are no course limitations or time restraints.

OCA grew from years of helping Christian parents educate their children. We have developed an affordable, convenient partnership among parents, professional educators, local church leaders, and Christian colleges.

We offer an excellent curriculum called “**Ignitia**” with great success and great tech support!

**Wonderful News:** Onward Christian Academy is now in the position to offer scholarships in as much as 50% off to families in need. You may qualify if you are a veteran, single mother, involved in ministry, unemployed, have multiple family members, disabled or some significant disadvantage.

### OUR EMPHASIS WILL ALWAYS BE:

- Promoting a Christian world view via an excellent academic curriculum.
- Providing an affordable education delivered by highly-qualified teachers.
- Partnering with your church leaders and Christian colleges.
